For: **ELECTRICALLY ENHANCED MODULAR CONNECTOR FOR  
PRINTED WIRING BOARD**

Assistant Commissioner  
for Patents  
Washington, D.C. 20231

Dear Sir:

**PRELIMINARY AMENDMENT**

Prior to examination of the above-referenced patent application, please amend the application as follows:

**In the Specification:**

Please replace the paragraph beginning at page 1, line 19, with the following rewritten paragraph:

--In the electrical connector of the present invention a receptacle is connected to a daughter board. This receptacle has a housing having a first face and a second face and a plurality of terminals extending from the first face of the daughter board to the second face where there is an
